

Diamond Petro Equipment

Hydraulic.Pneumatic.Industrial

Our Profile In Glance

Diamond Petro, in addition to manufacturing equipment for oil and gas lines, also manufactures and supplies drilling products.

Generally, these parts are made of polymer ,polyurethane, plastic,PTFE, superalloy steel (alloy and non-alloy),pig iron (alloy and non-alloy) and nonferrous (light and heavy) materials.

PACKING ELEMENTS

Application: blowout preventer (BOP) equipment

Models: cameron, shaffer, hydril.

Size range: 7 1/16 to 30 inches.

Material: synthetic and natural

VBR PACKERS

Application: BOP equipment

Models: cameron, shaffer

Size range: 2 7/8 to 7 inches.

PACKERS

Application: BOP equipment

Models: cameron, shaffer

Size range: 3 1/2 to 5 inches.

TOP SEALS

Application: BOP rams equipment

Models: cameron, shaffer

SIDE PACKERS

Application: cutting rams

Material: metal, rubber

BONNET SEALS

Application: BOP equipment

Models: hydril, shaffer

Size range: 7 1/16 , 11, 13 5/8 ,21 1/4 inches.

SEALING GAS KETS

SEALING GAS KETS

SEALING GAS KETS

Application: BOP equipment
Models: hydri, GK
Size range: 7 1/16 to 30 inches.

FLOAT VALVES

Application: BOP equipment

Size range: 4f-6r, 5f-6r, 3f, 2f-3r, 1f-2r, 1r.

PULSTATION DAMPENERS

Application: mud pump vibration neutralizer.

DIAPHRAGMS

Application: external use

Model & size range: different.

PISTON RUBBERS

Application: cleans inside walls of the mud pump

Size range: 6 - 7 inches & 160 - 180mm.

Types: rubber & complete

WIPER RUBBERS

Application: cleans outside walls
of drilling pipes

Size range: different.

MUD BOXES

Application: cleans mud before
opening the pipes

Size range: 3 1/2 & 5 inches.

SEAT VALVES & INSERT COMPONENT

Application: mud pump, sealing of drilling valves

Models: different

RUBBER PROTECTORS

Application: protects drilling pipes from abrasion
against well body

Size range: 3 1/2 , 5, 5 1/2 inches.

SERVICE KITS

Application: sealing set of directional drilling motors
Size range: 4-8 inches.

TONG DICE

Application: rig tong equipment of drilling machines

DICE SLIPS

Application: supporting part of drilling pipes
Size range: 3 1/2 to 6 5/8 inches
